

Basic Info

Model NO.:ABIS005-A

Material: Plastic

One-time Molding: One-time Molding

Warranty: 12 Months

Customized: Customized

Size: 110*75mm

Trademark: ABIS

Specification: ISO9001: 2000

HS Code: 8480719090

Application: Household Appliances

Forging Work Steps: Automotive Half Shaft Forming Forging

Certification: ISO

Metal Color: Black Metal

Condition: New

Gate: Sub-Gate

Transport Package: Wooden case

Origin: China

ABIS Mold was founded in 1996 in Shenzhen, adjacent to HK, China. and we moved to Long gang District in 2010. With the advanced facilities from Germany, Swiss and Japan, and a highly experienced design and engineering team, ABIS builds multi-cavity molds to exacting tolerances, providing the critical structural foundation for leading manufacturing companies to produce high precision mold.

At ABIS, All new programs are entered into APQP as soon as the purchase order is received. A team will be assigned to review all steps of the project from tool design through work cell assignment, continuing on to the customer's first production run. Before mold building, Our teams will evaluate your part design to give you the proactive comments, such as Cooling, Venting, Gating, Cavity/Core sticking concerns, Short Shot possibility, Thin steel conditions, etc. also our engineers will assist in improving the part design and optimizing the mold design to save your cost.

Our molding press machine ranges from 40T to 650T, 300+ molds capacity each year, and 70 % are exported to Europe and North America. Post molding operations include: CNC Machining, decorating, ultrasonic welding, silkscreen and assembly & insertion.

In addition to our plastic mold and molding specialties, we also can provide you the services such as die casting, stamping /punching, blowing mold, as well as the secondary process.
